

The background is a complex digital collage. It features several overlapping financial charts: a green bar chart on the left, a red candlestick chart on the right, and a white line graph with a blue trend line. Binary code (0s and 1s) is scattered throughout, particularly on the right side. A network of blue nodes and lines is visible in the lower right. The overall color palette is dominated by reds, greens, and blues, with a bright white light source on the left creating a gradient effect.
